Hello!

Today we found our stories:

Down on the Farm

We shared the storybook
Mrs. Wishy-Washy's Farm
by Joy Cowley

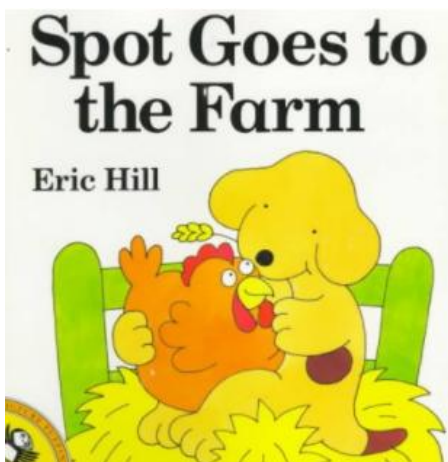

and learned a new rhyme:

Chook Chook

Chook, chook, chook, chook, chook / Good morning Mrs Hen. / How many children have you? / Madam I have 10 / 4 of them are yellow / And 4 of them are brown / And 2 of them are speckled red / The finest in the town.

We also had fun making 3-D farm toy that we can play with at home!

Here is another favorite farm storybook you might like to try at home:

Spot Goes to the Farm
by Eric Hill
